RE: CAP to EAS Converter

Opus Broadcasting has ordered the CAP to EAS converter see confirmation below:

Your PO Number: TFT CAP

BSW Order Number: 671644

Qty	Item	Description	Order Date	Est Ship Date
1	CAP-EAS	CAP to EAS Converter 3320	Jun 8, 2012	Jul 27 2012

The June 30th deadline created an unusually large backlog that does not permit shipment of the above captioned equipment until July 27th, 2012. At which time the converter will be installed.

Opus Broadcasting respectfully requests a waiver for the June 30th deadline until such time as the equipment can be delivered and immediately installed.

Waiver Requested for:

Thank you in advance for your attention to this important matter.

Respectfully,
Opus Broadcasting Systems, Inc.
